

## Professional Negligence

From malpractice claims to licensing issues, the Firm's Professional Negligence Group aggressively defends the reputations of organizations and professionals in various fields. Our lawyers have years of experience defending professional clients both in and out of the courtroom. Representative professionals include: attorneys, doctors, nurses, mental health professionals, accountants, engineers, surveyors, architects, appraisers, real estate agents and brokers, title agents and examiners, mortgage brokers, insurance agents, travel agents, clergy, social workers, mortuaries, veterinarians and more.
