A. Timothy Jones

**Managing Partner:** Jack N. Sibley

The Charleston, West Virginia office opened in 2002 to serve the litigation needs of local HPTY clients in the region. Since that time, the office has grown to include a team of experienced litigators serving clients primarily in the areas of toxic tort, products liability and premises defense – all backed by the substantial resources of the firm's other offices around the country. The Charleston team is accustomed to handling matters across West Virginia, Kentucky and the East Coast.
